

Integrative Research Institute for the Sciences

Colloquium Announcement

Prof. Dr. Stefan Maier

*Lee-Lucas Chair in Experimental Physics/Head of Experimental Solid State
Physics/Condensed Matter Physics Section/
Director of Postgraduate Studies/Department of Physics/Imperial College
London*

Lecture on

**“Plasmonic and dielectric nanoantennas: a versatile platform
for interdisciplinary nanophotonics”**

Time: Wednesday, November 02, 2016, 02:00 pm

Location: IRIS-Haus, Seminar Room 021,
Zum Großen Windkanal 6, 12489 Berlin

Interested persons are warmly invited.

Prof. Oliver Benson (Nanooptics-Group)

IRIS Adlershof, Humboldt-Universität zu Berlin
Zum Großen Windkanal 6, 12489 Berlin, Germany
