

# Sonderkolloquium

## *Colloquium Announcement*

### *Professor John Close*

*Precision Sensing Australia*

*The Research School of Physics and Engineering*

*The Australian National University Canberra*

***Wednesday, February 15, 2017, 11:00 am***

***„New techniques in cold atom interferometry:  
atom lasers, solitons, and large momentum  
transfer beam splitting“***

Time: Wednesday, February 15, 2017, 11:00 am

Location: IRIS-Haus, Seminar Room 007,  
Zum Großen Windkanal 6, 12489 Berlin

Guests are warmly invited.

Prof. Achim Peters (QOM-Group)
